Sabrina - Why don't you remove slides 6 & 7, and I will put something similar in my presentation to lead into yours. I also have some comments/corrections on slide 3, ARSG Accomplishments. Otherwise, looks good to me. Let's talk tomorrow morning.

Subject: almost final presentation

All, I have had some great input and have made changes again. I would like to confirm if I can remove the ARSG suggested solutions, and ways to make solutions happen slides and have Peter recap those, or I can put them before mine and have ARSG talk from them. Jennifer has offered to put them up on a flip chart to keep in front of everyone. As before, I will leave it to you all to share with others in your groups/programs.

If you do have red button issues/comments, please call me ASAP Tuesday on

my cell and let me know to expect an email with comments.

Thanks for all your input and patience.

Sincerely,

Sabrina Forrest
